### Photo Release Consent

Throughout the Scouting year, Leaders of Scouts Canada and parents take photos and video of youth participating in Scouting activities. These photos are typically kept in Group photo albums and displayed on Group web sites. Some are also submitted to newspapers and Scouts Canada publications. If you do not consent to the use of images of your child as indicated above, please write a note to the Beaver Scout Section Leader stating your disapproval.

***I understand that parental commitment is vital to the success of the Beaver program. Should my child be accepted, at least one of the parents will be helping in the Group during this Scout year as parent volunteer if necessary. (e.g. attendance in outing and participation in family camp, etc.)***
