Recruiting for Scout Members 2018/19

Scouts is the start of something great.

Scouting makes a difference in the lives of children, youth and young adults. Providing youth-led opportunities, members determine what areas they would like to grow in as they achieve new “firsts” and develop into global citizens. With a versatile array of program areas to focus on, Scouting welcomes youth with diverse interests and goals.

The 1st Hong Kong Canadian Scout Group is now recruiting youth between Grade 6 – Grade 9 to come and join the Scouting FUN. If you would like to appreciate the nature and fresh air, challenge yourself to hiking, camping, kayaking and orienteering, become independent and able to look after yourself, go to camps or Jamborees locally or overseas, pick up leadership skills and grasp teamwork, develop yourself to be an all rounded person, then **sign up NOW!**
